

### **Requesting In-Person Peer Observer Training**

KDE is pleased to partner with regions and districts in scheduling on-site peer observer training. One way *Peer Observation Training, 2<sup>nd</sup> edition* is offered is as an in-person, three-hour training facilitated by KDE personnel for the purpose of certifying educators to be peer observers.

To request a training the following criteria have been established:

1. A minimum of 20 participants must be guaranteed to attend
2. The host location should offer the use of facilities at no cost to KDE or participants
3. The training must be open to attendance by educators from surrounding counties and/or districts
4. The training must be scheduled at least six weeks in advance of the desired date

To arrange a location and training date, contact KDE.
